Information Only - Local Performance Indicators Update

**BACKGROUND INFORMATION**

The State Board of Education (SBE) approved standards for the local indicators that support local educational agencies (LEAs) in measuring and reporting their progress within the appropriate priority area. For each local indicator, the approved standard includes:

1. Measuring LEA progress on the local indicator based on locally available information, and
2. Reporting the results to the LEA’s local governing board at a regularly scheduled meeting of the local governing board and to stakeholders and the public through the Dashboard.

For each applicable local indicator, LEAs assign one of three performance levels:

- Met
- Not Met
- Not Met for Two or More Years

The five main areas that are reported on are:

1. Basics: Teachers, Instructional Materials, Facilities
2. Implementation of Academic Standards
3. Parent Engagement
4. Local Climate Survey
5. Access to a Broad Course of Study

In all five areas we are “standard met.”
