ACTION REQUESTED

Declare List of Used Vehicles and Equipment to Be Surplus and Approve Estimated Values

BACKGROUND INFORMATION

The transportation department is continually evaluating our inventory of vehicles and shop equipment to determine the condition and usability of each asset. Many vehicles and equipment items were deemed obsolete or unusable, unable to be repaired, or too costly to repair. These items are no longer needed by the District. In addition, the District is the recipient of a PCAPCD bus replacement grant. The District must surplus and destroy the bus as a requirement of the grant. In order to dispose of these vehicles and equipment, the Board must first declare them surplus. By declaring these items surplus, we can offer these items for sale to the public through published notice in accordance with California Education Code Section 17545.
